THE GENERAL ELECTION

The Catholic Bishops of England and Wales have launched a set of informative resources to help us think about our election choices. It covers pro-Life issues as well as the criminal justice system, education, poverty, the environment, refugees and migrants. The Bishops remind us: *"We are not merely the passive recipients of politics but active citizens. An election is the best time for us as Christians to speak out, to get involved, and to lead."* The resources include suggested questions for candidates, links if you want to go deeper, and action we can take to make a difference.
